THE BLENDS

BRASIL BLEND

Brasil is a blend of selected coffees, made with Arabica from Brazil, Colombia, Guatemala, Ethiopia and Robusta from India and Uganda, processed according to natural and washed methods.

Characterised by an excellent creaminess, Brasil is the ideal coffee for those who love an intense body with a chocolatey and enveloping taste.

Available formats: 1kg | 250g

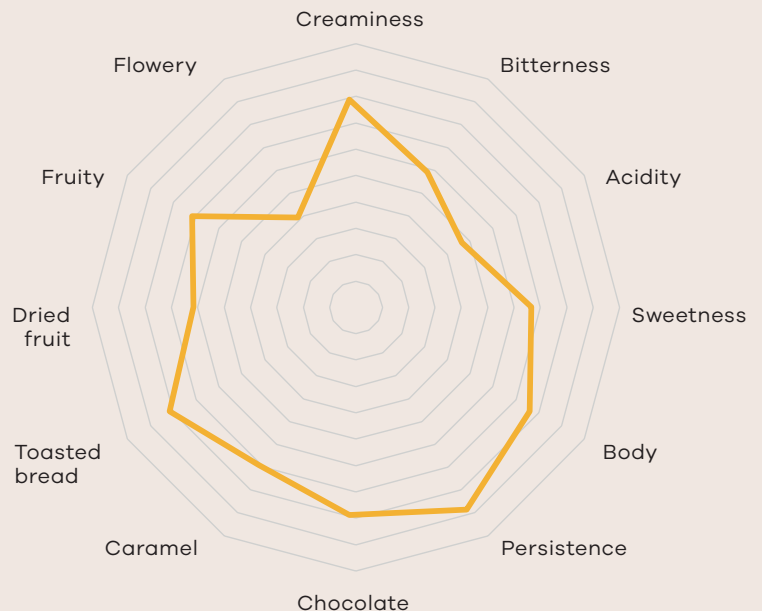

SENSORY CHARACTERISTICS

A blend with excellent creaminess and persistence, with notes of ripe fruit, figs and cocoa.
